To all officers Incharge
Of Central Authority Under the
Hague Convention on Inter Country Adoption

Dear Sir / Madam

Adoption of Sri Lankan Children

I wish to inform you that only Sri Lankan children rejected by local applicants could be allocated for foreign adoption. Consequently, there is a clear dearth of Sri Lankan children that could be allocated for foreign adoption. At present, there is a large number of foreign applicants in the waiting list. Hence you are kindly requested to limit applications for adoptions from your country.

D. M. S. Abayagunawardana

Commissioner

Probation and Child Care Services
