Business Training Results

- A Business Development Training for 7 **returnees** was conducted in The Gambia in 2020.
- Topics of discussion within this training included: “Financial management”; “Operations management”; “Managing growth”; and “Managing staff”.
- Before and after the training returnees were asked to answer a short questionnaire. The graph below shows access to employment opportunities, as perceived by the beneficiaries. This is based on a rating scale of 0-5 (with 0 being the worst score and 5 being the best). As a result of the training, the outlook was better. .
