Business Training Results

- A total of **9 Individual vocational training sessions** took place in 2020.
- In these sessions, among other things, beneficiaries learned about phone repair; hairdressing; cosmetics; mechanics; and also participated in language courses.
- Before and after the training returnees were asked to answer a short questionnaire. The graph below shows access to employment opportunities, as perceived by the beneficiaries. This is based on a rating scale of 0-5 (with 0 being the worst score and 5 being the best). As a result of the training, the outlook was better.
